

Internal Market Committee

Paris, 10 June 2022 / 2021-2022 Committee Reports

Jaap De Koning

Actions / results 2021-2022 period

- ✓ Presentation and discussion on NEC4
- ✓ Connecting to the European Green Deal Committee
- ✓ Increasing cost of insurance premiums
- ✓ Overview 'National rules on procurement below the Directives' threshold'
- ✓ Exchange of information on COVID19 issues in the member countries and member association initiatives

Planned priorities for 2022 - 2023

- Review Public Procurement Directives (2024?):
EFCA's vision, critical items and goals
- Collaborative Contracting (NEC4, Early Contractor Involvement): position of the Engineer, opportunities
- Contribution to Sustainable Procurement: examples of award criteria

Critical issues

- War for talent
- Inflation, costs increases
- New Committee members
