

## **Proposal for EFCA Future Leaders 2025 until Q2/2026 - European Network of young engineers**

### **Participants:**

- open to every future leader ( $\leq 35$  years) of EFCA member associations
- goal: each member association should have 1-2 people in the future leaders group
- if a member association does not send a future leader → inform national association that there is a group open to future leaders of EFCA member
- if a member turns 35 → member to watch out for a following member

### **Expectations and goals of the group:**

- Awareness for European Union and cohesion
- Network beyond national boundaries
- Exchange of information and ideas among FLs
- Expand personal horizon and develop personality
- Awakening the interest of young people for EFCA association

### **Proposed roadmap (example):**

4 meetings a year (2 in person, 2 online)

- Q2 2025 - May (EFCA Conference) - see ideas for future leaders day 2025 below
- Q3 2025 - September - in person (2 days) - Brussels - visit European parliament / visit construction site + dinner + discussion on current topics / soft skill workshop / external speaker on current topics
- Q4 2025 - November/December - online - discussion on current topics + one or two EFCA committees to introduce their work / one or two EFCA FL competition participants to present their project
- Q1 2026 - February/March - online - discussion on current topics + one or two EFCA committees to introduce their work + collecting ideas for FL day in May
- Q2 2026 - May (EFCA Conference) - in person (2 ½ days) - dinner for future leaders e. g. the evening before + Conference and GAM (attend official sections (and bring some FL into conference panels and GAM if appropriate to have a young opinion on topics) + FL day

### **Organisation:**

- Organization by the EFCA Secretariat together with the FL responsables:
- 2 to 3 people from the group responsible for future leaders roadmap for 1 year (no “hierarchy”, no votes for chair or vice chair, no long terms (2+2y), establish roles internally if necessary)
- In the end of the 1 year period ask for 2-3 people for the following year
